

Name: Hugh Huang

Period: 10

1. Which Organizations/Groups/Events did you volunteer with?

Central Park run

North America Artist association

Lunar new year event

3. What are the roles and duties that you've done in your time of volunteering? (Brief points)

Chess Organizer (Lunar New Year Event)

Tail walker and Sweeper (central parkrun)

Media- Live Streamer (North America Artist Association)

4. Did you learn anything? If so, what? If not, why not?

Yes, I did. I've learned a lot from these volunteer opportunities such as managing people and teach them the rules in the activities (Chess Organizer); How to control media within teamwork and what titles and materials would catch people's eyes better (Media – Live Streamer); How to keep people safe and motivate them, also finish the duties efficiently ant the same time (Tail Walker).

5. How did your experiences of volunteering make you more confident in your future career or working roles, or how does it help you with your future life? USE EXAMPLES.

le. Sorting out equipment efficiently at company XYZ makes me confident that...

Controlling Live Streaming at North America Artist Association makes me confident that I've gained experiences of publicizing which can help me a lot when I'm making websites or propagandas in the future since I've learned what can catch people's eyes better.

Organizing Chess at Moscrop Lunar New Year Event makes me confident that Since I gained experiences of organizing visitors and teaching them the rules, I can surely do better work on communication and people management in the future.

Motivating Runners and keeping them safe at Central Park Run makes me confident that I can motivate myself and my teammates when they are depressed and keep myself and teammates safe in future working conditions.
